Your Safety, Our Priority

ABOUT US

CAVA SECURITY SERVICES LTD is a licensed private security company dedicated to offering comprehensive and professional guarding services, electronic surveillance, and integrated security solutions. With a team of well-trained and experienced personnel, we pride ourselves on delivering excellence in protecting people, property, and assets.

WHAT WE DO?

SCOPE OF SERVICES

Manned Guarding

Professional, uniformed guards trained for residential, commercial and industrial sites. Screening and continuous supervision included.

CCTV Installation & Monitoring

End-to-end CCTV solutions — supply, install and remote monitoring with cloud recording options.

Mobile Patrols & Alarm Response

Scheduled and random patrols, alarm response teams ready to attend incidents with fast reaction times.

Event & VIP Security

Discrete close protection and venue security planning for events and VIPs.

Our Vision, Mission & Core Values
